The above standard mix designs are based on using Type I Portland Cement, Fly Ash and Penn Dot 2B (#57) Coarse Aggregate. The design will produce a 28 day test result of the P. S. I. desired only if the MAXIMUM SLUMP DOES NOT EXCEED 4".

The following will be quoted upon request:

Deliveries more than 20 minutes from our plants
Weekday deliveries after 4:30 PM & Saturday/Sunday deliveries
Penn Dot mixes, specification projects, and pumping mixes

For loads less than 8 yards (minimum load fees):

1.00 – 1.75 yards	\$150.00 per load
2.00 – 2.75 yards	\$130.00 per load
3.00 – 3.75 yards	\$110.00 per load
4.00 – 4.75 yards	\$90.00 per load
5.00 – 5.75 yards	\$70.00 per load
6.00 – 6.75 yards	\$50.00 per load
7.00 – 7.75 yards	\$30.00 per load

Miscellaneous Charges

\$100.00 per load – Saturday morning deliveries
\$ 7.00 per cu. yd. – Micro Fiber
\$ 6.00 per cu. yd. – 1B (#8) Coarse Aggregate
\$ 7.00 per cu. yd. – Winter Concrete (Nov 1st – Mar 31st)
